

The birthday child Fulda University of Applied Sciences goes on a record hunt. The RhönEnergie Challenge on **04.05.2024** will be THE team event in the anniversary year! On this occasion, the own record of 444 team members is to be broken! It all depends on you! Be there for your university and join us at the start!

You can register for Team Hochschule Fulda here (registration button below) **until midnight on April 23**. After that, pre-registration is no longer possible. **Your registration fee will be paid by Fulda University of Applied Sciences!** ("Spontaneous" late registrations on the day of the event can be made at the information desk in the start area (Rangstraße) and cost 15 euros, which you have to pay yourself). Two euros per registration will be donated to the Fuldaer Zeitung's "I need your help" fundraising campaign.

To celebrate the anniversary year, **you will receive a free anniversary shirt from us!** You will be informed by email when you can pick up your shirt and race number on campus - **please make sure you enter your email address correctly when registering!**

Whether walking, running, walking, with or without a baby carriage or in a wheelchair... - anyone can take part and being there is everything! Even **your family or friends** can register here for the Fulda University of Applied Sciences. However, the participation and T-shirt costs for external participants cannot be covered by the university and must be paid by the participants themselves. The registration fee is 10,- Euro or 13,- Euro (from 2.4.2024). The anniversary shirt costs 10 euros for external participants.

The approximately 7-kilometer route (it is approx. 600 m longer than last year) leads right through Fulda and the Fulda floodplains and the bands along the way will put you in a good mood with groovy music! Afterwards, we will meet up to celebrate and get together on the grounds of the Rosenbad, which is also the finish line of the route. This year, there will be plenty of tables reserved for Team Hochschule Fulda, including non-alcoholic drinks (while stocks last).

Virtual RhönEnergie Challenge

As in previous years, there is the opportunity to collect virtual kilometers in the period from 15.04. - 01.05.2024. Since we want to focus on the community experience, you can **only register for the presence run via university sports**, but you are automatically registered for the virtual kilometer collection, but you do not have to use it. **You will receive the link to upload your routes by email from the organizer if you register by 16.04.2024 (24:00) on 17 or 18.04.2024;** then we will have registered you there. **If you register in the period from 17-23.04., you will receive your access data from the organizer on 25 or 26.4.2024. You can collect kilometers and take screenshots of your performances from 15.04., but you can only upload them once you have received your link.** At the end, the organizer will add up both the kilometers collected virtually from 15.04. - 01.05.2024 and the kilometers of the face-to-face event.

If you can only participate in the virtual kilometer collection, please register directly here for the university team.

If you have any questions (also of a technical nature) about the virtual kilometer collection, please contact philip.kremer@sportagentur-speed.de or klaus.hartwig@sportagentur-speed.de

Date:

Company run on 04.05.2024

Start time:

14:30: Meet for the team photo on the lawn in front of the Lutherkirche (Martin-Luther-Platz 3).

15.00 hrs first start of the runners

Starting point:

RhönEnergie GmbH Fulda, Rangstraße 10

Finish:

Rosenbad Fulda, Fuldaauen

Route:

approx. 7 km through Fulda

Service:

Jackets and valuables can be handed in to the university sports staff at the Rosenbad parking lot between 1:30 and 2:15 pm on the day of the run for storage on the university bus. It is **not** possible to hand in jackets or luggage in the start area!

Running shirt:

Each participating university member will receive a free university anniversary shirt, which he/she can wear for the run and keep afterwards. External participants pay for their own shirt (10,- Euro).

Fees:

Free registration for HS members until April 23, 24:00 hrs.

External participants pay registration fee (10,- or 13,- €) and functional shirt (10,- €) themselves.

Starting documents:

All registered participants will receive an email in good time with information on when and where they can pick up their race number and functional shirt. (This will be on Tuesday, Thursday and Friday before May 4th on campus). So **please enter the correct e-mail address when registering, otherwise you will lose important information!!!**

You can find more detailed information about the route, parking and anything else that might be of interest on the [organizer's homepage](#).

With your registration you accept the [conditions of participation of the organizer](#). [You can view them here](#).

Withdrawal

Withdrawal

If you register here for the presence run but do not participate without canceling in time (by 24:00 on 16.04.2024), we reserve the right to charge you both the entry fees paid for you and the T-shirt costs (23,- Euro).

Please indicate when registering whether you would like to run or walk!
